THE HIGH DESERT—HEALTHIEST SPOT IN AMERICA

For many years, hundreds of people have been coming to the high desert of the Greater Morongo Basin to enjoy the wonderful health-giving ultra violet rays of the sun. Each year sees more and more people coming here to escape the smog, fog, never-ending fast pace and the many other disadvantages of the metropolitan areas. Here one finds a peaceful retreat of complete satisfaction where they can enjoy a life of clean living, without sacrificing any of the comforts of home.
